

## Summer Term 2010

### ESSReS-S4: Student seminar

Monthly, 2-3 hours, date and time are provided on the web page.

*Location: AWI, IUP, Jacobs University*

*Responsible: K. Grosfeld*

Email: [info@earth-system-science.org](mailto:info@earth-system-science.org)

[Klaus.Grosfeld@awi.de](mailto:Klaus.Grosfeld@awi.de)

### **Contents:**

In this seminar ESSReS PhD-students present their PhD projects, discuss progress and problems during PhD-work. Regular talks of 4 – 5 students will be given; general papers on Earth System Science are prepared for a common review. The meeting provides room for general discussions and self-organisation within the research school.

**Next date: 13 August 2010**

### **AWI-IUP Blockseminar:**

Once a semester, a joint blockseminar of the IUP and the AWI will be arranged where PhD students and scientists of both institutions will give overview talks to specific topics, which are common at both institutions. The seminar is addressed to all graduates and PhD students, and to everybody who is interested in the topic.

*Location: AWI, 13 July 2010, 9:30h - 17:00h, Glaskasten*

*Responsible: R. Treffeisen*
